

WHAT I DID TODAY @ THE CADMAN- WHITE-HANDY HOUSE

3rd grade trip w/Westport Elementary School

Now I know where the Handy House is located! We located the building and its farmland on a map from 1715. My classmates and I dressed up like we would have if we had lived in Westport in 1730. We learned all about the house; how it was constructed, and what the White family did on their farm. We did many activities to help me understand the differences between back then and today. I also went on some scavenger hunts and will share my new vocabulary words with you!

NAME: _____

DATE: _____

SCHOOL: _____

I learned what a
summer beam is &
I can tell you, too!

I used a niddy
nobby & I can tell
you all about it!

I became an
"apprentice
archaeologist"!

I helped make
applesauce!

I carried water
from the well!
