

My Visit to the Cadman-White-Handy House

Write about one artifact that you found interesting.

Be sure to:

Name the item.

Describe what it is made of.

Tell the date of the item.

Tell how it is used. (Do you use a similar item today?)

Use complete sentences.

Example: *The fireplace in the old kitchen is from the early 1700s. It is very large and made of brick. People used it to cook and to keep warm. We don't have a fireplace at home. We heat our home with oil and cook on a stove.*

Draw a picture of your item here:
