1859 to 26th 3 mo 59. Geo Gifford &
E. Worden testified that A. Brownell
did take 25 tons of Muck and it was
worth 25¢ per Yon on the beach after hearing Gifford's
witnesses some of Brownells were called which
testified that Joshua W Gifford one of the four
Plaintiffs did in the Fall of 1858 license said
Brownell to haul up Sea Muck at Horseshoe Point
on a share of $\frac{1}{2}$ and when there was but a small
lot up to take all he got & had never forbid
Brownell from doing so the witnesses which
testified to these facts were Abraham Brownell
James Leighton Warton Brightman Thos Inman
Prin Allen & Peliz Sherman George Rockwell
ruled that the 25 tons of Muck hauled up
by Brownell & not divided was only a
breach of contract between Joshua W Gifford
& Abraham Brownell and had nothing to do
with the Case at 5 minutes to 6 P.M the
Cau went to the jury they were out about 15
minutes & brought in a verdict for Defendant
on the testimony of ^{evidence saying that} Joshua W Gifford's license
ing Brownell to take Sea Muck on Shares

Lines on the Death of Sarah Louisa
by her Mother

Dear loved one, thou art gone to thy
pearly home.

Thy presence on Earth was sweet to us,
But thy heavenly Father hath a right to his own.
The angels came for her, our beautiful one,
In the light of her morning and after the set
of the sun;

They wafted her upwards on pinions of love
And she left us a weeping our darling, our dove
